

PLUM AND MANGO

Twin toucans, Plum and Mango, are the newbies in Gorilla's gang – double the trouble and double the fun. Their bills are so colourful because they pick only the brightest morsels on the menu. But they only have one helping between them, because toucans always share!
Plum and Mango were created by Harvey, aged 7 from Chippenham, who won our design your own jungle character competition.

MACARONI

This cheeky little monkey is always up for a bit of fun and games with her jungle pals, but when it comes to food, Macaroni is seriously into the delicious healthier alternatives. Go on... be adventurous and try one yourself!

THE JUNGLE GANG

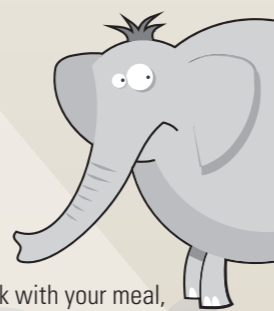

FLAME

For such a titchy firefly, Flame can rustle up some mighty main courses for you, including his famous chargrilled favourites. Flame is so fast on his wings, his friends can't keep up with him, which really, really bugs them!

GRILLA

As leader of the Jungle Gang, Grilla keeps the others in check. As the biggest softie in the jungle, he's everybody's best mate and would love to be yours too!

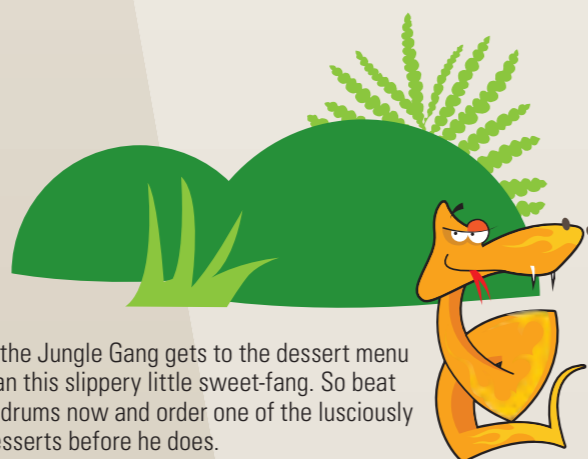

ROBINSON

For an elephantastic drink with your meal, who better to ask than Robinson? If there's one thing that really makes his trunk water, it's a long, slurpy drink. Robinson's a bit on the shy side, though, so ask gently.

PEPPER

Cute and cuddly, she always gets her own way. Especially when she flutters her eyelashes at you. The question is, can Pepper tempt you to try one of her scrummy starters from the menu? Please...? Pretty, pretty please...?

SIZZLE

No-one in the Jungle Gang gets to the dessert menu quicker than this slippery little sweet-fang. So beat the jungle drums now and order one of the lusciously lickable desserts before he does.
