Evidence of exemption from overnight accommodation tax Evidence of professional or company-related necessity of stay

pursuant to section 2, para. 5 of the ordinance dated 15th October 2013 on overnight accommodation tax in the City of Freiburg i. Br.

to be submitted to the accommodation facility

Notes:

The City of Freiburg i. Br. is introducing an overnight accommodation tax from 1st January 2014. Paid overnight stays in an accommodation facility are exempt from tax if the reason for the stay is exclusively professional or company-related.

This is the case when professional, commercial or self-employed activities would be rendered impossible or considered unreasonable without an overnight stay. This exemption also applies when the stay fulfils training or further education purposes and individuals are required to participate in events. The necessity of such stays must be proven to the accommodation facility in question.

Providing evidence to the accommodation facility in question is optional. This evidence exclusively serves to determine whether the overnight accommodation tax must be imposed. The collected data will be forwarded to the City of Freiburg i. Br. By submitting this evidence, you consent to the processing and use of your data. Those who do not agree to this must pay the overnight accommodation tax.

Please use block capitals.
